ST MIKE'S

Medea

Based on the classical Euripidean tragedy, Medea was set to contemporary music by composer Steven McKernan, a graduate of St. Michael's. This play involved actors in dramatic interplay with the chorus, while the dancers and orchestra provided an excellent interpretation of Mr. McKernan's work.

The creative impetus rested in the capable hands of Fr. R. McKinnon, Mr. J. Guerriere, Mr. M. Story, and Sr. E. Martin.

Although with the close of this play, Michael McManus ended his association with St. Michael's productions, it is hoped that his experience here will be the springboard to greater triumphs in the future.

SENIOR TEAM: Not only did this team defeat arch-rival Michael Power three times (including a 34-8 romp in the T.D.C.A.A. Championship) but it defeated some of the best teams in the Province like Windsor Brennan, Central Tech., and this year's city champs, Northern S.S. The team had many outstanding performers, ten of whom were named T.D.C.A.A. All-Stars. Enzo Montemurro, the most valuable player, rushed for over 1,400 yards and a total offence of over 2,000 yards. He returned punts, kick-offs, and played on the specialty teams. This all-time T.D.C.A.A. and S.M.C. ground-gainer scored 16 touchdowns and was named Metro Toronto's Footballer of the year by Collegiate Sports.

JUNIOR TEAM: This team had a lot of athletic talent but it lacked experience. They lost the first league game to Neil McNeil 7-6, but after that the Juniors never lost another game. They defeated Michael Power in the finals to capture their first Championship since 1966. Brian McDonald was one of the most valuable players. His great skills, cool head, good [illegible] and uncanny football sense combined to make him a football player to watch. John [illegible] was selected as the other most valuable player due to his great determination to succeed on [illegible].

BANTAM TEAM: [illegible] points [illegible] in the overall standings, this year's edition of the Bantam Michael Power Blues did manage to be competitive in all the games they played. [illegible] through the season, injuries, and plain bad luck, the team did not live up to expectations. There were, however, several players on the team who displayed exceptional football talent. But, despite the best of the team's hard work, the skill of these players was not enough to make this season a successful one in the tough Bantam division. Pat Crouchini was the team's left outside linebacker, [illegible] and captain. A hard worker and a great performer, Pat was one of the team's [illegible] tackles. Respected by his teammates for his fine sportsmanship and tremendous [illegible], Pat was justly selected by them as the team's most valuable player.

BUZZERS: The Buzzers finished first in the central division in league standing and also first in overall standing (both divisions). The playoffs for the metro championship were very successful, the team won 11, lost 4 and tied 2, to win the metro championship, (the first since 1961). The team was eliminated in the Ontario semi-finals by Burlington, four games to one. The team's most valuable player was Mike Harvey, who was first all-star team center. In addition, he was second on team in scoring: 23 goals, 55 assists, 78 points in 41 games. He was second leading scorer in playoffs: 15 goals, 24 assists, 39 points in 16 games. Michael's intense desire and aggressive style of play made him an outstanding member of the Buzzers. Mike was voted M.V.P. by his team members.

SENIOR TEAM: The Seniors had an unusually successful season. Starting with a group of players who had little, if any previous Senior level experience, and adding some eight football players from last year's senior team, the SMC Blues finished second in the eight team league (only 3 points behind the first place team). The Seniors ended up with 2 wins, 2 losses and 1 tie in the prestigious Bauer Tournament last November, against the best high school hockey teams in Ontario. Dave Lee was the team's most valuable player. A third year Senior player, Lee accounted for 25% of the 100 plus goals scored this year. He was team captain and a real leader of this team, both on and off the ice. The Seniors lost out in the semifinals, two games to one, to Michael Power Trojans.

MINOR MIDGETS: In Sweden the Minor Midgets played four of the five top teams and one Jr. club in Stockholm, winning 6 and losing 1 in exhibition play. The team played Don Mills in the quarter-finals and won, to advance to the semifinals. They lost to Wexford.

BANTAMS: This team had a difficult year with heavy losses in the early part of the season. However they fought back to playoff position. During the Christmas break the Bantams played in the Netherlands, winning all games hosted by the Filburg Trappers. The team was defeated in playoffs by the Marlies.

MIDGETS: The team became a finalist in the CP Air Tournament in Calgary, however they lost to the Notre Dame Hounds. Throughout the year, the Midgets sustained a number of costly injuries. In the fifth game of a best of five series, the Midgets lost to the Marlies.

Excellent effort was put forth by all wrestlers as 12 of the participating St. Mike's wrestlers won medals. Gold medalists in other tournaments outside the T.D.C.A.A. were Mark Mihevc and George Vince. This year's most valuable player was Mark Mihevc. Mark has been one of the "core" members of the wrestling team for all five of his years at St. Mike's. Mark has consistantly been a medalist in T.D.C.A.A. wrestling. This year Mark's only loss in wrestling in his weight category was at the OFSAA wrestling tournament. His regular season record was 15 wins and 0 losses.

Activities

The true-life prewar experiences of the von Trapp family inspired this acclaimed Rodgers and Hammerstein musical which St. Michael's staged as its spring production.

A tradition of first-rate performances has grown with St. Mike's and this play was no exception. As usual, Fr. McKinnon was at the helm in this effort, while Mr. Story coached the soloists, Mr. Ian Thompson the children's chorus, and Sr. Edna Martin of Loretto Abbey the nuns' chorus. Rounding out the talented directing staff was Mr. Guerriere, master of the orchestra.

Valedictory Address

Five years of yellow bricks, green lockers, academic pursuits and extracurricular activities are all rolled into one neatly sealed, smartly laid out symbol - THE DIPLOMA.

Ironically enough, it is the intangibles which we will carry long after this tangible parchment is laid aside in a sea of dust. The bond of friendship, the memory of once being physically fit, the comfort and ease felt within these yellow walls, the example shown us by the dedication, diligence and concern of our teachers and of course by our mothers and fathers will ever remain with us to spur us on to greater things.

As row upon row of us has just now walked up to receive his diploma, one cannot help but think that there, by the grace of God, go I. One cannot but give thanksgiving for the many gifts bestowed upon us, the fruits reaped from our affiliation with St. Michael's College School. With each passing year, we congregated in the gym on the first day of school and with each passing year, we became taller, louder, more familiar with one another with the farthest reaches of the library, with the white lines of the football field, the blue lines of the arena and finally with the inner sanctuary of the school, the chapel itself.

So today, on the last day, we cannot stand any taller, our shoes cannot be any shinier, our self respect and the respect for our fellow classmates, our teachers, our parents and the accompanying love cannot be any greater. In short, we have become a community with a personality and life blood of our own. These words are fitting I think because they represent a reality which would exist whether the diploma existed or not. The reality behind the diploma is that we have become men, not through any particular rite of manhood, but in acceptance of ourselves, which has allowed us to accept others.

Indeed, I sometimes think that only another SMC man can truly accept an SMC graduate, for we have within our school a unique pride which is difficult at times for an outsider to comprehend. But this pride is not misplaced, as is evident by the fine efforts of our number in drama, arts, music, debating and student government.

During the five years, any bad experiences seemed to have been filtered away and what remains is a blurred picture of light heartedness. Yet life exists beyond these comfortable yellow walls just as it lies beyond ourselves. Outside awaits a world much more confusing, much more threatening, much more cluttered with contradictory views and values, a world teeming with messages and salespitches. In this larger world, isolation and lonliness and hatred seem to be rampant. Today we must go forth from this church into what some would call a desert - a wasteland.

In five years, however, having been challenged and made to think and constantly reshape our thinking and our views and having been offered all the opportunities we could dare to hope for to develop into healthy personalities, it can be said that we have a good deal of self knowledge.

We have come to grips with the limits of the human mind; we have learned how many miles we can struggle through, how many words we can juggle and finally and, I think, most importantly we have learned to be a little more tolerant, and more critical.

It is vital however that the word critical be taken in the right sense. Being critical means not to accept every picture of the world or every view conceived of the faltering functioning of the human mind; it means not to accept without reservation or thought process, every doctrine or value presented on paper. Being men, we must make judgements and decisions regarding information hurled our way; we must come to some understanding of our world and change it if need be. Of course, we cannot be alone in choosing the life we are to lead. Together with our friends, our families, our Church we can become better men. Let us have the courage to be what we must be, to accept ourselves and others in our world. While not overestimating our own powers on those of others, let us not underestimate the strength possessed by human nature in communion with its Creator.

The doctrines of violence and materialism have been seen to lead to nothing but despair and destruction. As G.K. Chesterton has said, "Let us give the doctrine of Christianity a try." As Father Hibberd would say, "Let us do everything we set forth to do, with CLASS.
